## BUILD BY FAITH

Written by Bishop Edward Payne  
National Overseer Barbados & Windward Islands

**We say Hallelujah for the COGOP new building in Clifton Hall, St. John Barbados. In late January, we had the casting of the ring beam which ties the building all around its circumference to the top of the block work. We have actually surprised ourselves that we had gotten that far. We have been working by faith that we will have it completed by the grace of God. The building needs the 'roof'. We do have the estimate but not the cash to finance it.**

I am asking that if there are any of our Harvest Partners that might be willing to assist us with anything towards this project. We really need to complete this edifice for the Lord. Any help will be appreciated. Bishop Ron Doroshuk and his sister Michelle are indeed the ones that initiated the start of this building with their giving. We moved by faith with what they sent and what we also contributed. We thank them for their faithfulness up to this moment. The estimate still needed is \$7,000.

Like Nehemiah, we give thanks to the Lord for what He has done. The church building had been burned flat to the ground with all it's furnishings, fixtures and instruments while the Pastor, the District overseer and I were teaching BTI in Grenada. We since then bought a \$5,000 tent and 100 chairs. We lost the tent by a massive fallen tree from a neighbor's property. We are so happy that we have come this far by faith. We are fighting to the end. Please pray for us. We need it!
