Harvest Partners Connections

Women's Day and Dreams

By Bishop Peter Georgiev
National Overseer of Bulgaria

Greetings in the name of Jesus Christ from distant Bulgaria. Like everywhere in the world currently, the situation is very difficult with COVID-19. For that reason, the church has limited some meetings, but we want to share with you our activities before the crisis.

March 8th was our National Women's Day. For that reason, the churches in Bulgaria had ladies' meetings in many towns and villages to celebrate. We use this holiday to share the Gospel to many people. At the Rousse church, we prepared 480 flowers with cards with a message insight. On the morning of March 7th, we shared the Gospel, sang songs and distributed the flowers and cards to the people from many different towns. A part of our worship team, from the Rousse church, visited 3 pensionary clubs in the towns of Borovo, Byala, and Slivopole. It was a good atmosphere where the ladies listened to Christian songs, a message from the Bible and prayer. Most of them responded when we prayed for new people to receive Jesus Christ as their personal Savior. At the end of the meeting, they received tracts, New Testament, a postcard and flowers. Some of them promised to come to church the next Sunday. It was a very blessed time and we are thankful to the Lord for all new people who came to Jesus. We held the same program with ladies in the Lom area. All the ladies were happy and blessed.

I would like to share some dreams of two people. A deacon from the Lom church had a dream: 3 men in black clothes and hoods walked on the streets and wanted to do something bad. On the other side of the street, he saw a man in white clothes giving some advice to the pastor who stood close to him. When the men in black clothes saw the man in white, they disappeared. When the deacon woke up, he shared it with Pastor Boris. Pastor Boris started to walk the streets, stopped in front of the houses and the people who lived there came to him and he prayed for them. He prayed against every disease; not only corona virus but cancer and heart diseases. Last month 10 people from his church died, young people ages 35 - 40 years old. Another new believer had a dream where many pipes were blowing in the sky. Jesus Christ is coming with His army with many angels but on the other side, the devils army wants to be in the battle with the angel's army. That's why we have to pray very diligently.

Prayer Requests

We would like to thank you for your financial and spiritual support during the last year. Please, keep me in your prayers, I have a VERY BIG need and only God can help me. Every day for many months, I have had a big pain in my hand. I have prayed many hours during the day and continue to trust the Lord for His healing.

Most of the factories here are closed. Employers have said that the workers must take unpaid leave and they do not cover any expenses. In other countries, it is different. As a side effect, the churches have not been able to gather enough funds for heating and electricity. People are impoverished and we don't know what will happen in the future. The only hope is in Jesus Christ. May God stop this virus all over the world.

Thank you, Harvest Partners, for your continued generosity in your support of Bulgaria. The ministry of Bulgaria is deeply grateful for your love, encouragements, prayers, and faithful support.

Churches can give to special needs through Project Giving or Individuals may give through Helping Hand. Please be sure to specify the exact need your gift is intended for.

All gifts are tax deductible and 100% of your gift will be applied to the need specified.

If you would like to know more about Project Giving for Bulgaria, please contact the Global Missions office.
